Cranchi Yachts Gulf

Cranchi T36

The T36 Crossover combines the functionality of a Trawler with the adventure of a touring yacht. A boat that combines a dynamic sailing experience with incredible interior comfort. On deck, the hard top and the extensive sheltered area on the main deck can guarantee comfort at all times. The square deck has a full glass cover offering comfort and protection without blocking natural light and visibility. A glass sliding door closes off this area, making your stay on board enjoyable no matter the latitude, and during the hottest periods throughout the day (thanks to the air conditioning system), or the coldest months.

PRINCIPAL CHARACTERISTICS

Year	2020
Builder	Cranchi Gulf
